When D'Vo was young
he knew something
about him was different.

This dude
just has it.
Woah.

"Pretty Brown
Eyes" never made
sense until I
looked at this
boy

When people meet D'Vo, they
already know that something
magical is within him.

D'Vo was headed home when a man stops him.

I can see that God has big plans for you, kid.

I don't understand why he says that.

Confused by the interaction by that old man, He arrives home to relax after a long day.

Next morning.. D'Vo wakes up excited ready to start his day.

He leaves his apartment.

As he was walking in the street,
He saw a homeless man.

D'Vo ignores the old man but
he's pray silently.

Can you
spare some
change?

Dear Heavenly
father help
this man.

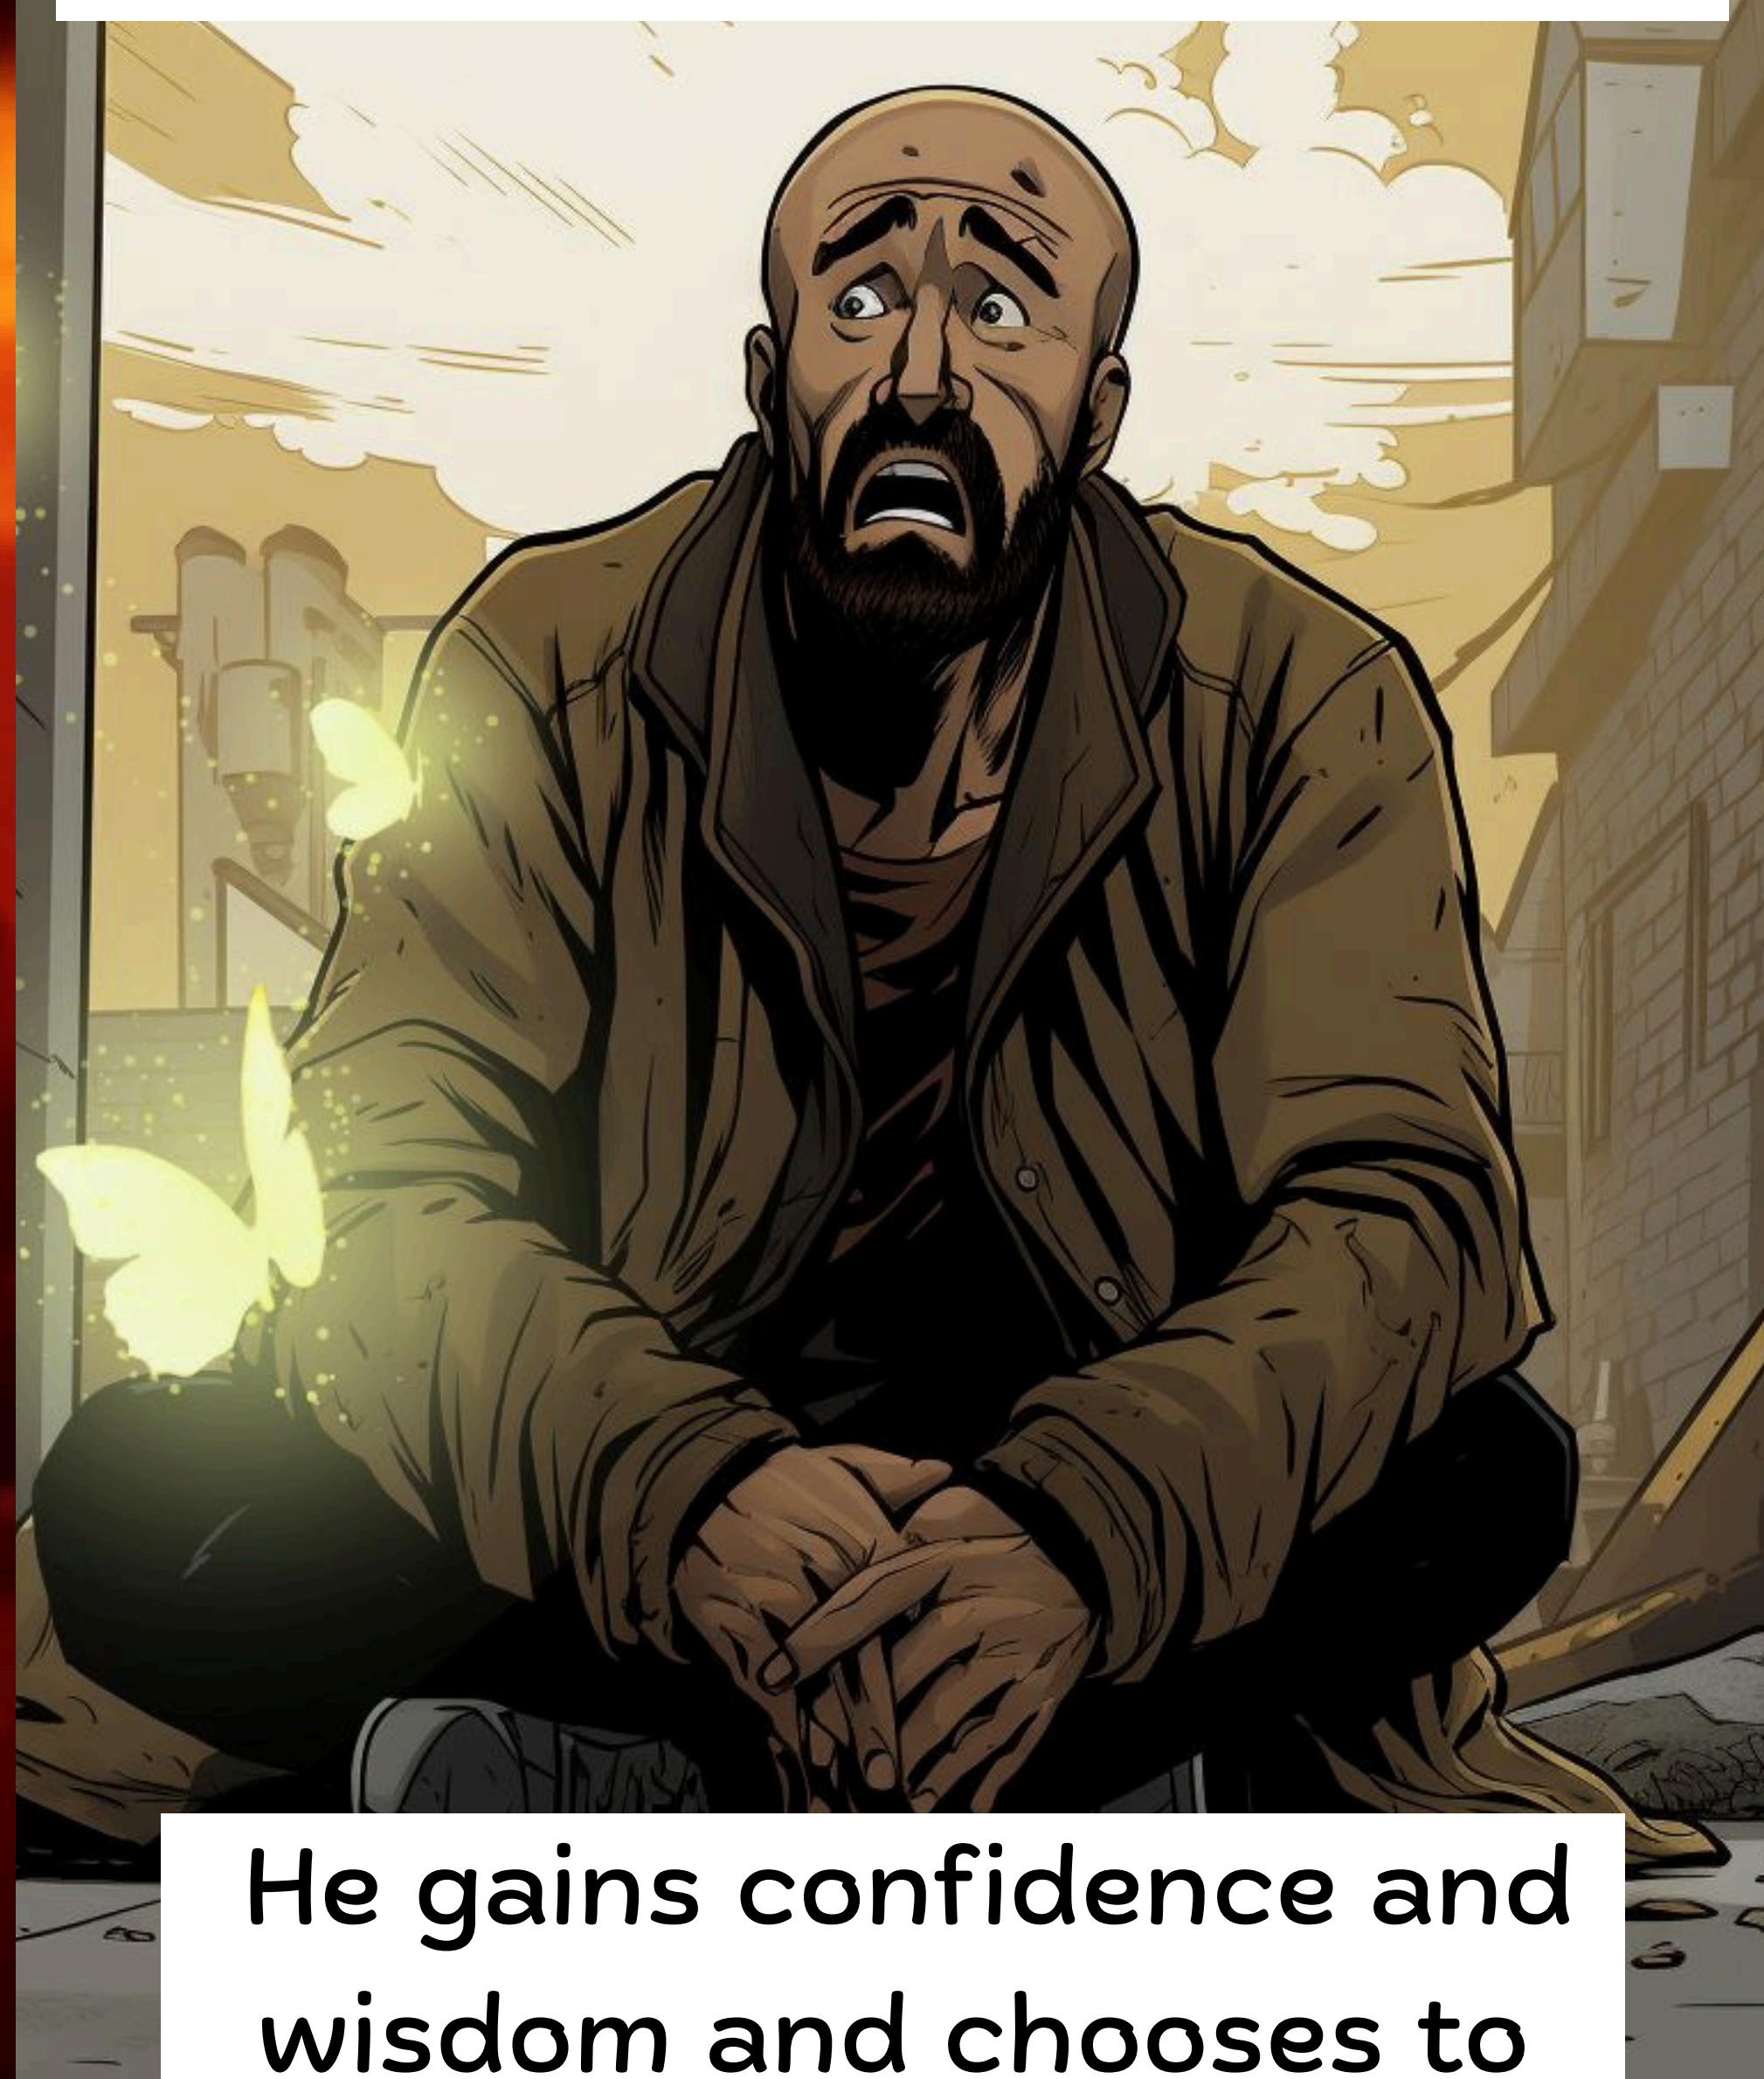

He needs you
Heavenly
Father!!
See It!!

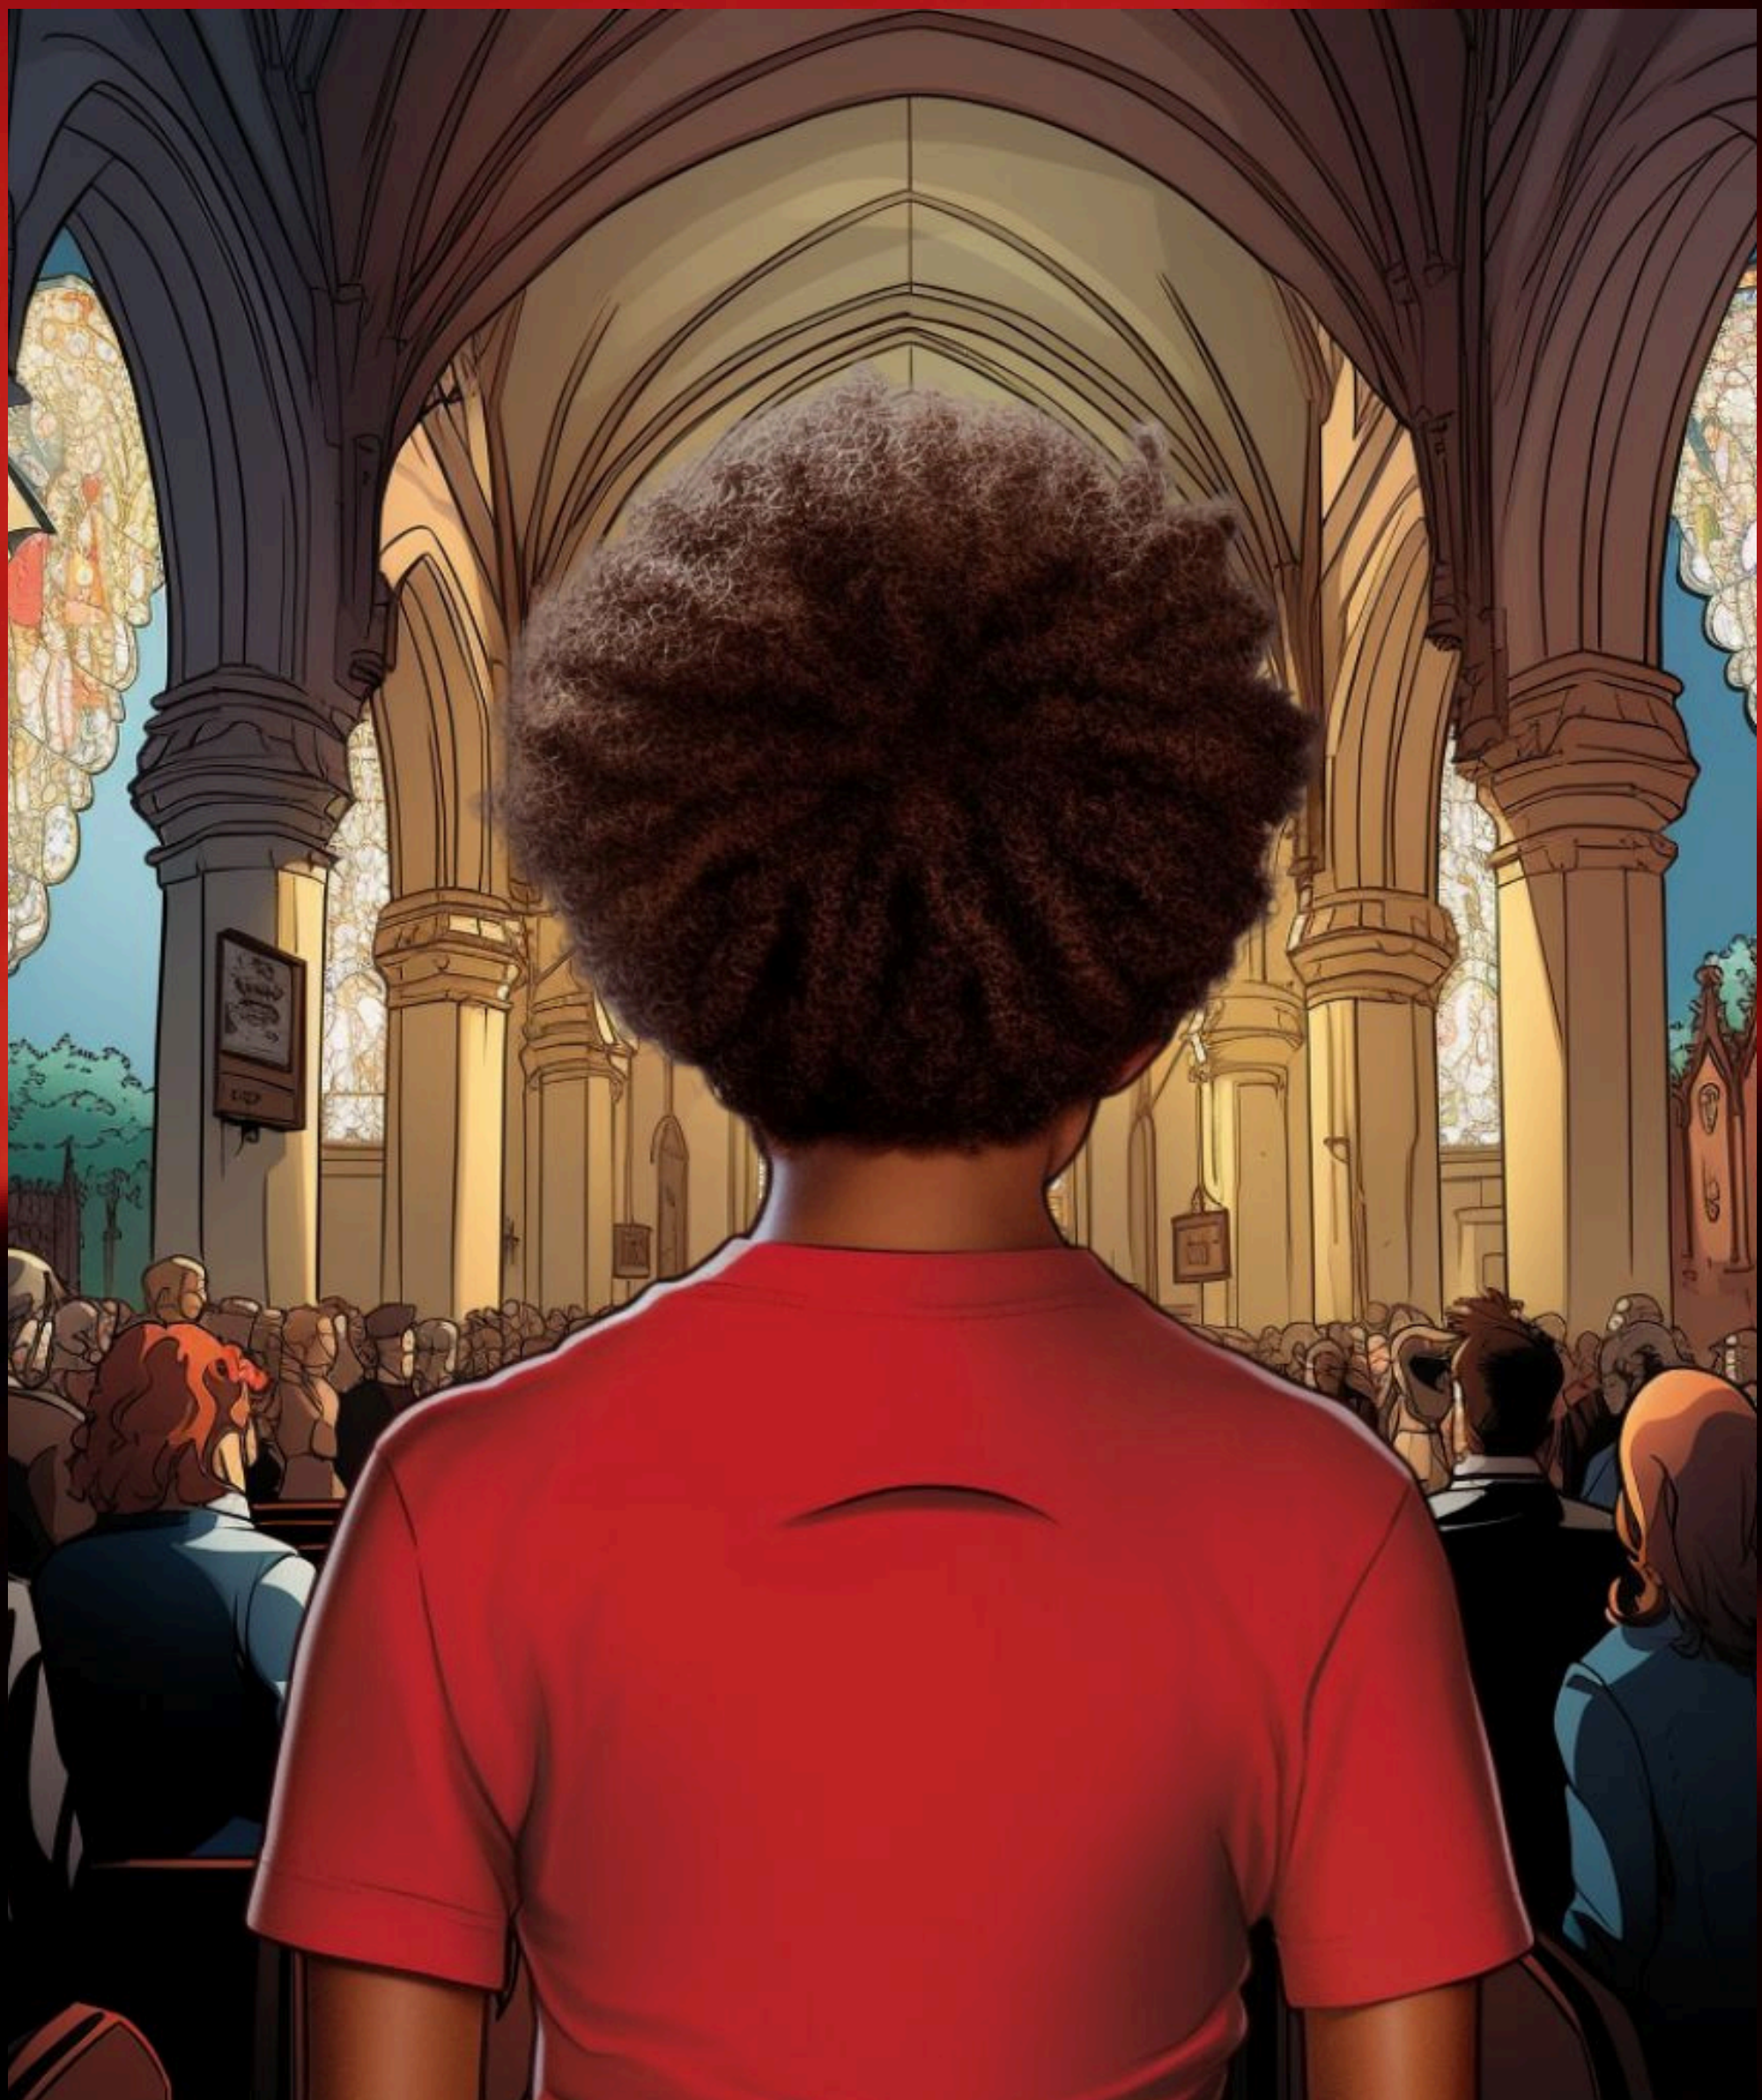

Suddenly butterflies start
surroundng D'Vo.

The man feels discouraged,
but when a butterfly lands
on his sleeve...

He gains confidence and
wisdom and chooses to
get back on his feet.

He is a God-fearing Man.

He meditates and prays every morning.

He likes to listen to jazz music everyday.

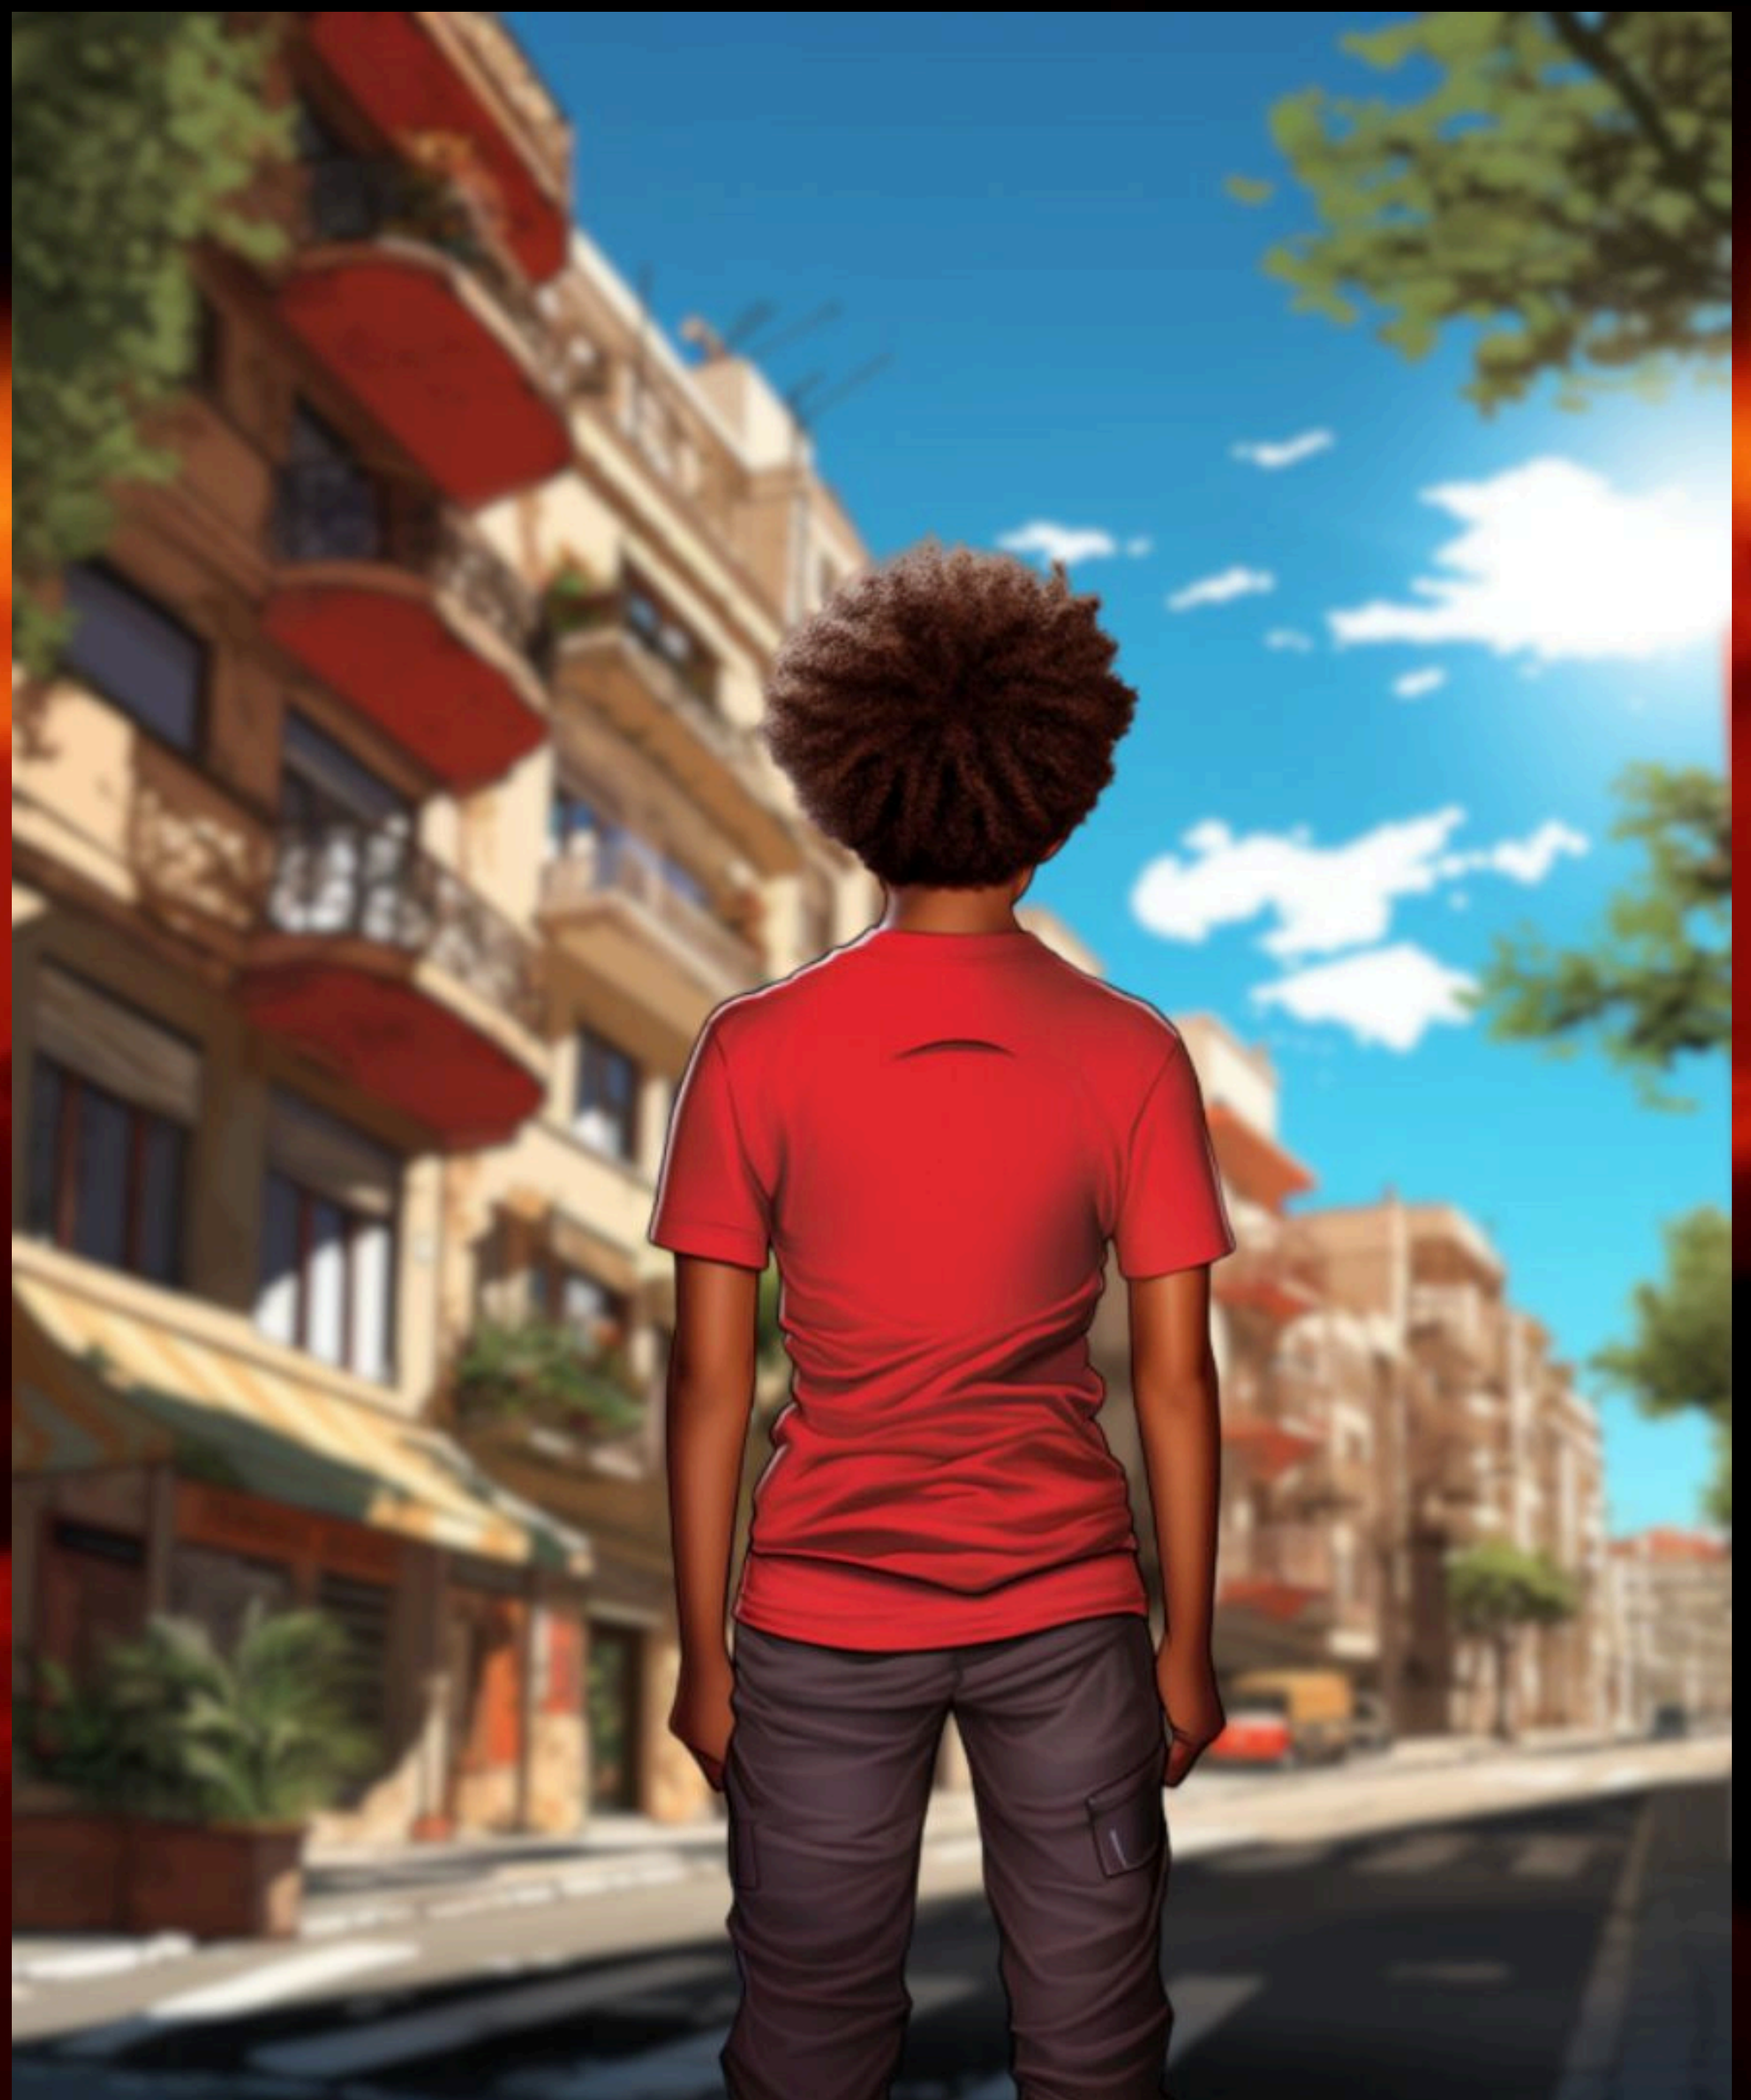

He tries to avoid the negative vibes in the world from the media.

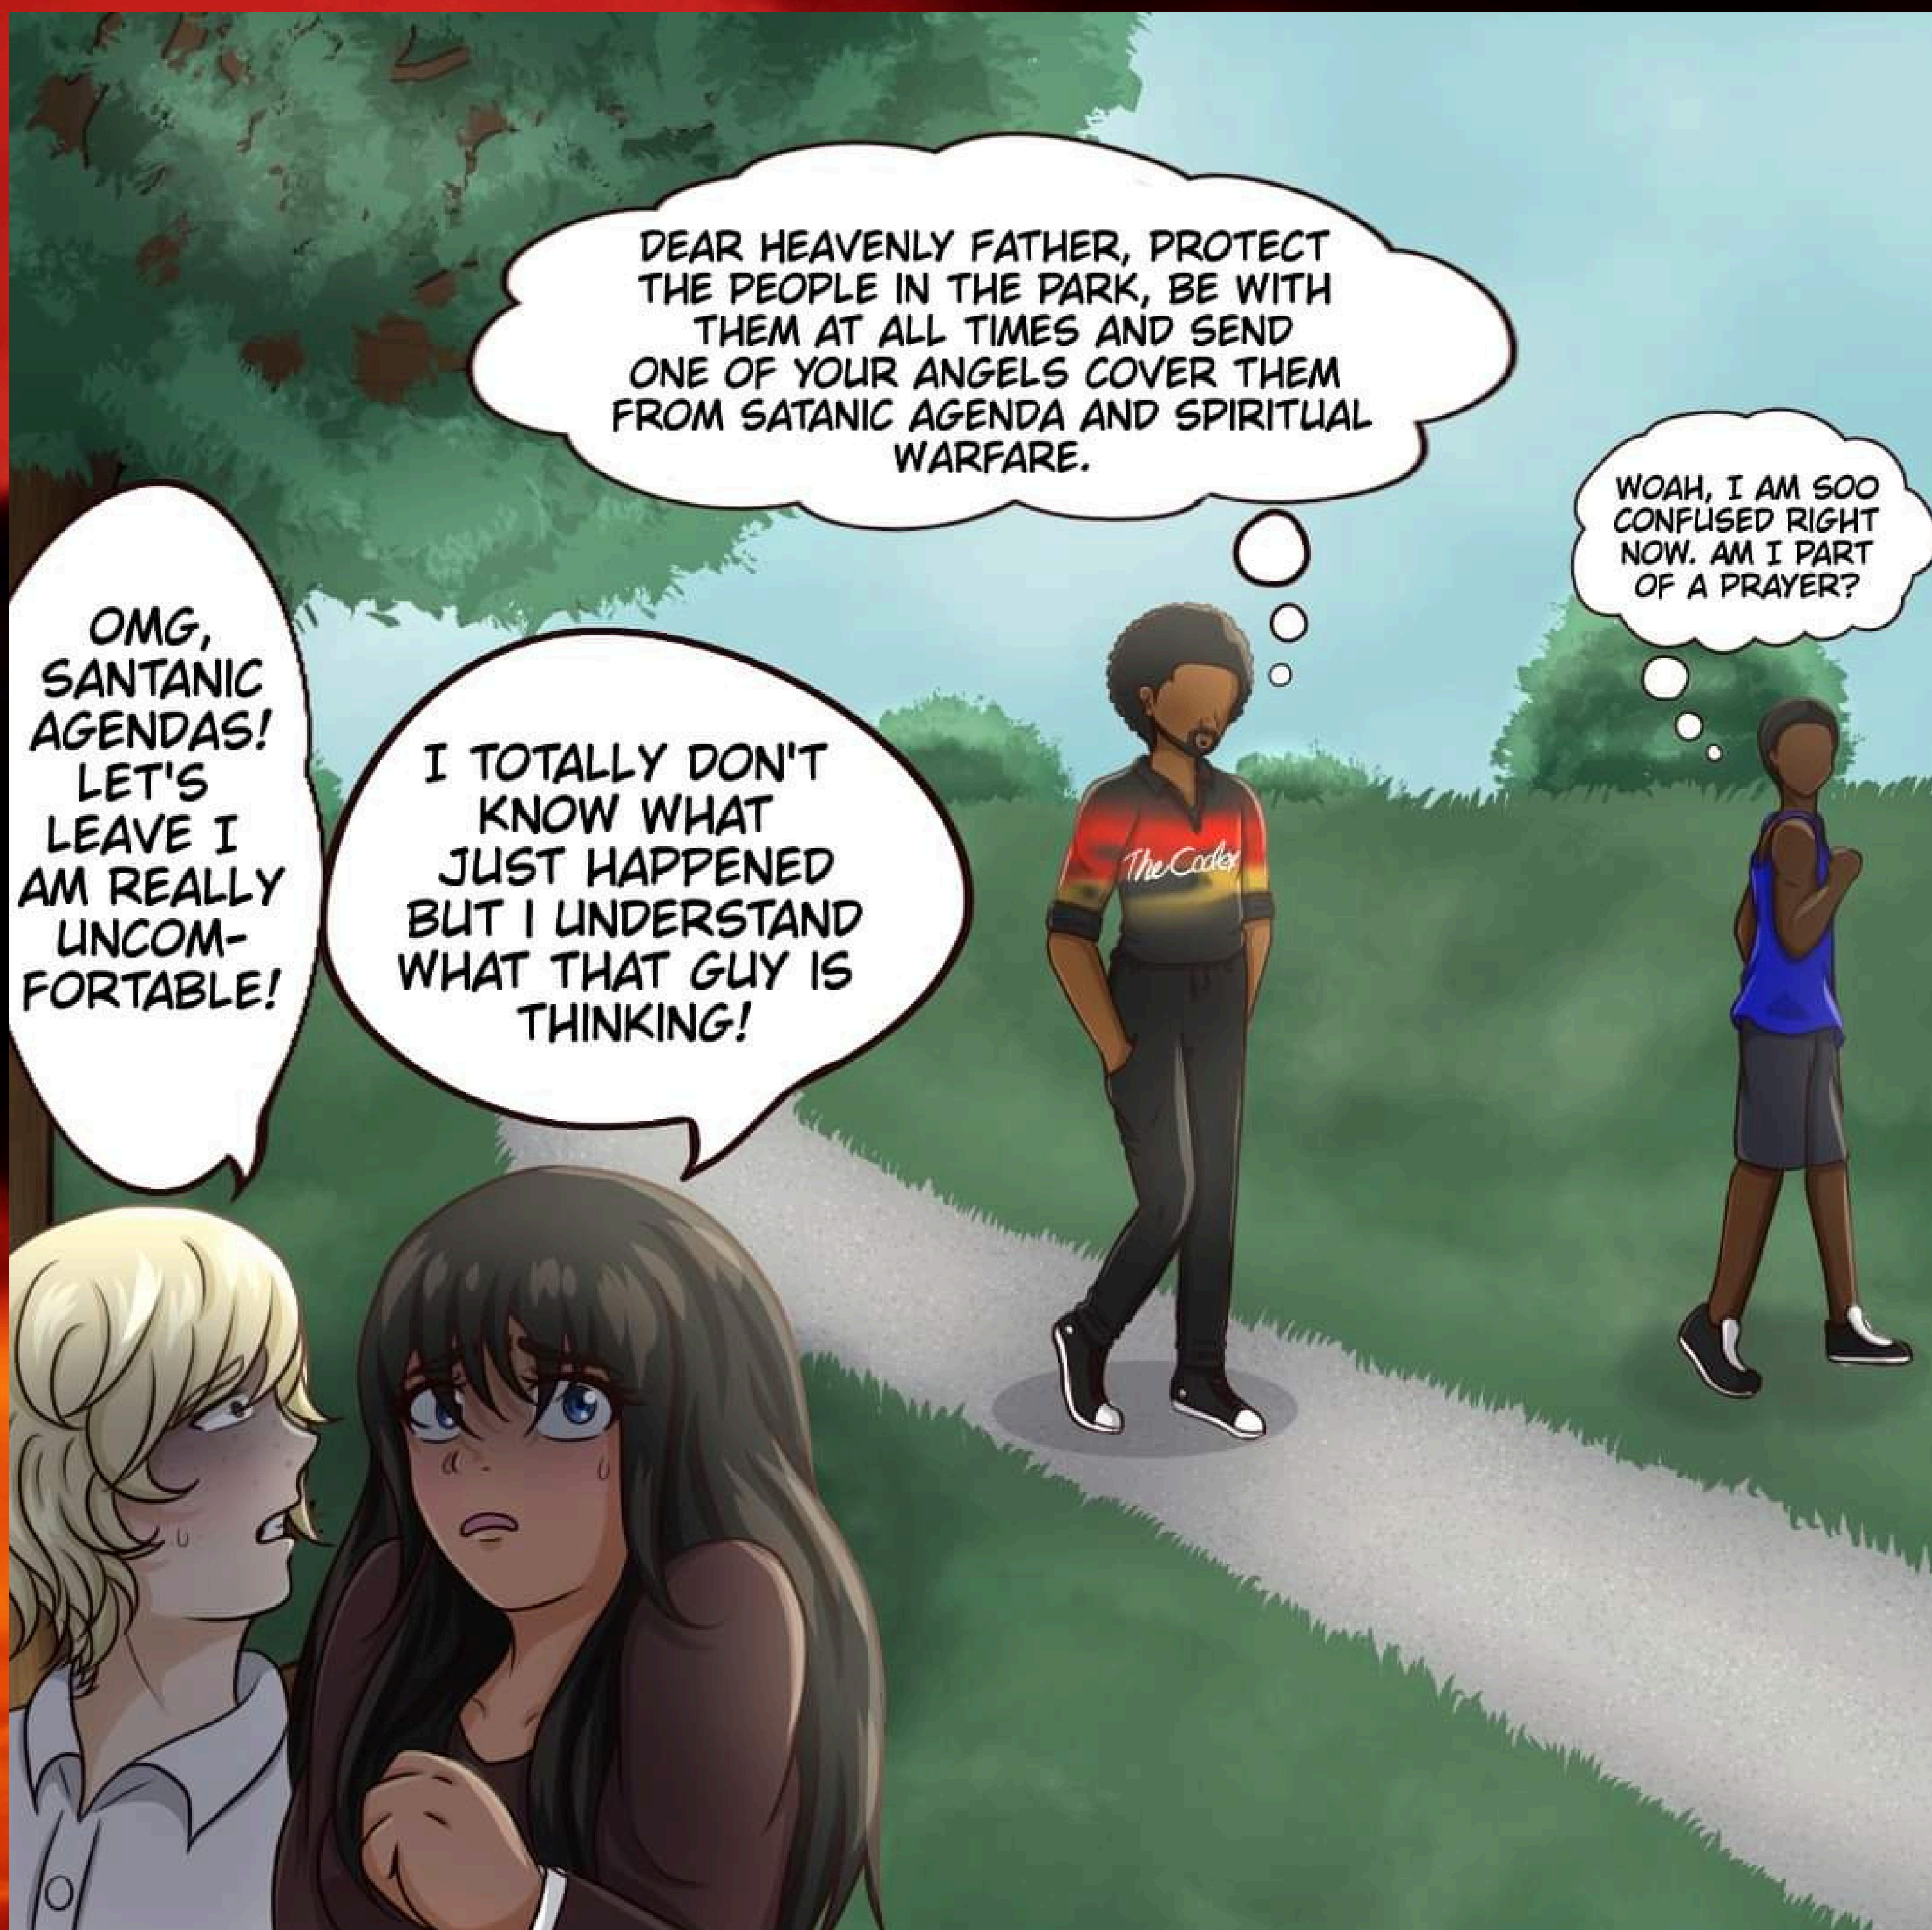

By nature he is an extrovert, but prefers to live life as an introvert.

But the question is... what caused D'Vo to become this way?
